

Peer-Reviewer Form

Encyclopedia of Seventh-day Adventists

Article Name:

1. Is the article well-written?
2. Is the writing clear and logical?
3. Could the organization and arrangement of the article be improved?
4. Is the article subject adequately covered, a comprehensive overview that will be definitive?
5. Are important dates, events, achievements, statistics, and people included?
6. Is the information presented accurate?
7. Could any parts of the article be omitted?
8. Does the author display any obvious bias toward the subject?
9. Are the sources credible? Are they cited properly?
10. Are there any sources that you know of that the author has not used, but that may improve the article content?
11. Is the article appropriate for a public (non-Adventist) readership?
